

Central Washington State Discovery Day for North Pines:

Students will experience Central Washington's Amazing Agriculture, Harvest and Native American History on Wednesday April 15, 2020

Program Highlights:

- ◇ Hands-on experiences at the Central Washington Agricultural Museum – the largest museum of its kind in the Pacific Northwest. Home to over 150 antique tractors and over 1,000 pieces of antique machinery, students see what life was really like for our first-settlers.
- ◇ Gain an understanding of the pioneer days through thrilling settler re-enactments and immersive activities.
- ◇ Work alongside a local farmer and learn the science behind the farming industry today.
- ◇ Discover the realities of migrant farming - the lifeblood of this region.
- ◇ Explore Heritage University – encounter our region's Native American history, participate in confidence and team-building exercises, discover their AVID program.

Program Itinerary:

- Load our private motor coach transportation and depart Spokane at 7:30 am
- Arrive at Heritage University – learn what makes this special college so unique
- Participate in a bonding experience examining “equity, equality and justice”
- Depart Heritage University, drive to the Central Washington's AG Museum
- Enjoy brown bag lunch (from home) under the AG Museum Pavilion
- AG Museum interactions: experience history, life-size artifacts, re-enactment of pioneer days, churn butter & explore
- Depart the AG Museum for Thompson Farms
- Thompson Farms Experience: a local, hands-on, family-run orchard – understand the science behind farming today. What happens to our crops once harvested? How does our produce get to our local grocery stores? Learn this and much, much more.
- Discuss migrant farming
- Load the motor coach, depart Yakima
- Arrive back in Spokane at approximately 8:30 pm
